Please answer the following questions.

1.) What drew you to the practice of EHS?

2.) Why do you believe EHS is an important field of study?

3.) What do you enjoy most about your curriculum? Least?

4.) What area of study interests you most (safety, environment, health, industrial hygiene) and why?

5.) Once you graduate, what would be your “dream” job in EHS?

6.) Where do you see yourself in 10 years?

7.) How do you feel EHS should fit into a business strategy for employers?

8.) What is the greatest challenge to EHS professionals today? Why? Do you see this being an issue in the next 5-10 years?

I, the undersigned, understand that all submitted information, including transcripts and letters of recommendation, becomes the property of EHS Today and PureSafety and will not be returned. I also acknowledge that the information provided, with the exception of personal information such as address and telephone numbers, might be included in an editorial feature, Webcast or podcast about the Future Leaders program. Should I be recognized as the winner of the Future Leaders in EHS scholarship, I agree to participate in an interview with an EHS Today editor for the purpose of publishing a feature about the program.
